

Organic School Lunch Programs

Introducing our Turnkey School Lunch Program!

CT Catering provides the healthy and nutritious meals and orderlunches.com gives the tools so parents can easily preorder and pay - its fast, its safe & it's easy to use!

What's for lunch & more

Organic and Non Organic menu offerings available daily...

- Choice of 2 to 3 Entrées and combo meals that include a choice of sides
- Variety of organic and non organic vegetables and produce
- Organic and non organic whole grains
- Organic and Non Organic yogurts and smoothies
- Organic and Non Organic sides

Delivery & Distribution - we make it simple...

- We can deliver daily or manage your School Lunch Program in-house
- Individual labeling of each meal affixed to lunch bags
- Meals can be separated by building, group, lunch shift
- Each group receives a recyclable Kraft Bag with a full distribution report (listing students alphabetically & their meal choices)

What do you do? Focus on what you do best ... Nourish the student's minds while we nourish their bodies!

And busy parents love it! It's easy to use!

- They sign-in
- Make their kids choices (copy from one student to another or copy a favorite choice)
- Enter payment
- Print a calendar view confirmation for all kids and they are done

Good wholesome food, state of the art online ordering & great customer service!
